OF INTEREST TO READ

When you buy nursery stock from the Verma Nursery Company you are buying from Growers and not jobbers or dealers, therefore you know that you are getting strictly fresh stock from the rows.

The quality of our Roses this year is unusually fine, having been dusted and sprayed at regular intervals, and they are dug, packed and shipped so as to reach you in perfect condition.

It is our aim to give you a service and quality of stock that will mean repeat orders to us.

CLAIMS: No Claims for rejection or deficiencies will be entertained unless made promptly upon arrival of goods.

PACKING: All stock offered in this list will be packed free.

LIABILITY: We shall not be liable for injury to stock from frost, hail, fire or other causes beyond our control. We are not liable for delays in transit; our responsibility ceases upon delivery to transportation company.

TO RESERVE ORDERS: Orders booked in advance of delivery date, must be accompanied by 25% of the order to insure us in reserving the stock for later delivery.

DISCOUNTS: No discounts will be allowed from this list as this is our best cash prices. All prices are F.O.B. our nursery at Tyler, Texas.

NOTICE: Our roses are taken from the field and tied 10 to a bundle, so please make your orders for 10 of a kind or multiples of 10. Should you wish an order for less than 10 of a kind, add 2c per bush above price named herein.
